About me

CHI SONO?

Mi chiamo Erika, piacere!

Always passionate about other cultures and other languages, it’s only when I moved to Australia, 7 years ago, that I realised that my true love was Italy and its beautiful language!

I have been teaching Italian and my culture for over 5 years and now it’s time to give you the opportunity to come with me to a wonderful trip, in the places I am so lucky to be able to call home.

About the trip

SPECIAL EXPERIENCE

Get ready for an unforgettable Italian adventure!

We'll dive into the elegance of **Torino**, the traditions and excitement of **Asti** during Palio week, the beauty of the **Langhe hills** (yes, there will be wine), and the sparkling seaside charm of the **Cinque Terre**.

This is your chance to explore this less known part of Italy not just as a tourist, but as an honored guest.

You'll experience authentic local traditions, iconic sights, breathtaking landscapes, and of course the best food of your life.

Let's make it
YOUR JOURNEY

If there's something you're dying to see, do, eat, learn, or photograph, tell me!
I'll do my best to make sure your Italian dream becomes reality.

Yes, there's a beautiful itinerary full of amazing activities... but you'll also have plenty of free time to shop, relax, get lost (in the fun way), or simply sit with a spritz and people-watch like a true Italian.

About Our Destination

TORINO

Torino is the capital of Piedmont. A vibrant and elegant city rich of art, history, delicious food and wonderful surprises!
Our trip will start here.

The best way to arrive in Torino is by train. **Porta Nuova station**, located in a beautifully renovated historical building, is the third biggest train station in Italy.

Torino also has an international airport **Torino Caselle** (16km from the city centre).

About Our Destination

ASTI

Welcome to Asti, my hometown. I was born and raised here for 27 years!

Apart from that, Asti is known because it used to be a very important centre in Medieval times: imagine it like a little Middle Age New York!
Its nickname is the City of the Hundred Towers and it still keeps a lot of historical buildings and streets.

You might also have heard about it because of its signature wine **Asti Spumante**.

About Our Destination

MONFERRATO, LANGHE AND ROERO

Let’s get to know more about our UNESCO World Heritage hills.

We will visit some of the beautiful landmarks of the area, including the towns where the most delicious and renowned red wine of the region come from.

Get ready for some breathtaking views and flavoursome tasting!

About Our Destination

CINQUE TERRE

There is probably no need to describe this magical place, another UNESCO World Heritage site.

Here is where five little towns built on rocks and the clear water of the sea meet in a wonderful embrace.

We will both appreciate this area from the land and from the water, adding a culinary touch to the mix.
